Business Environment & Ethics - Set 11

50 MCQs - 1 mark each - answers and explanations are at the end

> Choose the single best option. Do not look at the last pages until you finish.

1. The term "License Raj" refers to
A. Free trade after 1991
B. Tax holidays for exporters
C. Foreign investment rules
D. Excessive licensing and controls in the pre-1991 economy

> **Case:** Water at the Railway Station: At a railway station, a shopkeeper sells a bottle of packaged drinking water with a printed MRP of Rs. 20 for Rs. 30, saying 'take it or leave it'. A traveller objects and says the bottle also does not show any food safety licence number.

2. Consumer law has moved away from 'caveat emptor' towards the idea that the:
A. Buyer alone bears all risk
B. Government fixes all prices
C. Seller must also take responsibility ('let the seller beware')
D. Sale cannot be challenged

3. John Rawls' theory of justice as fairness uses the idea of the
A. Invisible hand
B. Iron law of wages
C. Social contract of profit
D. Veil of ignorance

4. Before setting up a polluting industry, a firm generally needs from the State Pollution Control Board a
A. Trade licence only
B. Export licence
C. Consent to Establish
D. Patent

> **Case:** Meena's Two Worlds: Before 1991, Meena's family waited years for a scooter or a telephone connection, and choices were limited. Today she can choose from many brands, including foreign ones, and from several mobile plans regulated by TRAI. Services now contribute the largest share of India's GDP.

5. The sector with the largest share in India's GDP now is:
A. Services
B. Agriculture
C. Mining
D. Manufacturing

6. Mixing cheaper or harmful substances in food or goods is called
A. Adulteration
B. Branding
C. Packaging
D. Franchising

7. Which of the following is typically included in a code of ethics?
A. Dividend rate
B. Product price list
C. Conflict of interest policy
D. Sales targets

> **Case:** Rahul's Shopping List: Rahul buys a pressure cooker, a jar of honey and a gold necklace. He looks for quality marks on each: a mark from the national standards body on the cooker, a mark for agricultural produce on the honey, and a hallmark on the necklace.

8. The mark for agricultural produce on the honey is:
A. Agmark
B. ISI mark

C. Hallmark
D. Eco mark

9. The principle of equal pay for equal work for men and women is found in Article ___ of the Indian Constitution.
A. 39(d)
B. 14 only
C. 21A
D. 370

10. After the reforms, the share of foreign trade in India's GDP
A. Decreased
B. Remained unchanged
C. Became zero
D. Increased

11. The repo rate is the rate at which
A. Commercial banks lend to the public
B. The RBI lends short-term funds to commercial banks
C. The RBI borrows from commercial banks
D. Banks lend to each other

> **Case:** Skyline BPO: A Complaint at Work: An employee at Skyline BPO complains that her manager repeatedly makes unwelcome remarks and advances. The firm has more than ten employees. It must now follow the law on sexual harassment at the workplace and ensure that the complaint is handled fairly.

12. Under this law, the firm must set up an:
A. Audit Committee only
B. Marketing Committee
C. Merger Committee
D. Internal Committee

13. GST replaced several indirect taxes such as
A. Excise duty, VAT and service tax
B. Corporate tax and wealth tax
C. Stamp duty and income tax
D. Customs duty and corporation tax

14. The CSR provisions of the Companies Act came into effect in India from
A. 1 April 2013
B. 1 April 2016
C. 1 January 2015
D. 1 April 2014

15. When senior managers consistently model honest behaviour so that employees follow, it is called
A. Autocratic leadership
B. Ethical leadership
C. Laissez-faire leadership
D. Bureaucracy

> **Case:** AgriMart Online: AgriMart, an online platform selling seeds and fertilisers to farmers, is preparing its annual plan. The government has suddenly banned the export of onions, which has hit farm incomes. At the same time, smartphone use in villages has grown rapidly. The management uses a PESTLE chart to organise these external developments but admits that the chart must be refreshed regularly.

16. The rapid rise in rural smartphone use is a:
A. Technological factor
B. Political factor
C. Legal factor
D. Economic factor only

> **Case:** Aarav Pharma: Shareholders versus Stakeholders: At the annual meeting of Aarav Pharma, some shareholders argue that the firm's only duty is to maximise profit within the law. The CEO disagrees, saying that employees, patients and the local community also matter. She announces a low-cost medicine range for rural patients and a plan to report on people, planet and profit.

17. The CEO's stand is closest to:

A. Stakeholder theory
B. Pure shareholder theory
C. Profit-only theory
D. Scientific management

18. Procedural justice means

A. Giving equal pay
B. Punishing offenders
C. Using fair processes in making decisions
D. Paying taxes

19. The Institute of Chartered Accountants of India issues a Code of Ethics for its

A. Customers only
B. Suppliers
C. Members
D. Competitors

> **Case:** A Listed Company's Disclosures: A listed company regularly publishes its quarterly results, executive pay and related-party transactions, and explains major decisions to investors. Analysts say this has raised investor confidence. The disclosures follow the listing rules framed by the securities regulator.

20. The regulator whose listing rules the company follows is:

A. RBI
B. TRAI
C. IRDAI
D. SEBI

21. A restrictive trade practice is one that

A. Manipulates price or delivery conditions to impose unjustified costs on consumers
B. Reduces prices for customers
C. Gives free samples
D. Offers genuine discounts

> **Case:** A Listed Company's Disclosures: A listed company regularly publishes its quarterly results, executive pay and related-party transactions, and explains major decisions to investors. Analysts say this has raised investor confidence. The disclosures follow the listing rules framed by the securities regulator.

22. The company's practice of open disclosure reflects:

A. Secrecy
B. Transparency
C. Greenwashing
D. Cost cutting

23. Which of the following is NOT permitted as CSR expenditure?

A. Promoting education
B. Rural development projects
C. Contribution to a political party
D. Ensuring environmental sustainability

24. Giving a supplier a contract because of its quality, price and delivery record is an example of

A. Favouritism
B. Corruption
C. Nepotism
D. Fair and merit-based selection

> **Case:** GlowCream's Promise: GlowCream advertises that its cream gives 'guaranteed fairness in seven days' and shows edited before- and-after photographs. Many buyers complain that the product did nothing. The authority created under the Consumer Protection Act, 2019 begins an inquiry.

25. Which consumer right is mainly violated by the false claim?

A. Right to safety only
B. Right to political representation
C. Right to bargain
D. Right to be informed

26. Which of the following is a responsibility of a consumer?
A. Hiding bills
B. Checking quality marks, bills and warranty before buying
C. Ignoring labels
D. Silently accepting defective goods

27. Liberalisation means
A. Increasing licences
B. Increasing tariffs
C. Reducing government controls and restrictions on business
D. Banning imports

A. Political factor
B. Social factor
C. Legal factor
D. Technological factor

29. Respecting local culture and customs while operating in a region reflects
A. Weak management
B. Cultural sensitivity
C. Cost increase
D. Legal evasion

30. Price-sensitive information must be disclosed promptly to
A. Stock exchanges
B. Competitors
C. Only the promoters
D. Only employees

31. The definition "the aggregate of all conditions, events and influences that surround and affect it" is attributed to
A. Keith Davis
B. Peter Drucker
C. Henri Fayol
D. Philip Kotler

32. The 3Rs of waste management are
A. Refuse, Return, Resell
B. Reduce, Reuse, Recycle
C. Repair, Rent, Replace
D. Reduce, Resell, Retain

33. The main objective of a socialist economy is
A. Maximum private profit
B. Unlimited competition
C. Social welfare and equitable distribution
D. Consumer sovereignty

34. Bribery of public officials in India is dealt with under the
A. Consumer Protection Act
B. Factories Act
C. Prevention of Corruption Act, 1988
D. Sale of Goods Act

35. In a capitalist economy, the means of production are mainly owned by
A. The government
B. Workers' unions
C. Foreign governments
D. Private individuals and firms

36. Favouring relatives in hiring regardless of merit is

A. Meritocracy
B. Fair selection
C. Nepotism
D. Equal opportunity

37. Shareholders have a right to receive
A. Employee salary data
B. Competitors' secrets
C. Material information about the company's performance
D. Customers' private data

> **Case:** BuildRight and the Permit: A sales manager at BuildRight, a construction firm, pays a municipal officer a sum of money to clear a building permit quickly. A junior colleague learns of this. The company's ethics policy forbids any payment to officials for favours.

38. The law that deals with bribery of public servants in India is the:
A. Prevention of Corruption Act, 1988
B. Sale of Goods Act, 1930
