2. The assignment must be completed only on **A4-size sheets**.
3. The first page must include: **Name, CRN, Section and Subject**.
4. Students may use any AI tool such as **ChatGPT, Gemini, Claude, Copilot, etc.**
5. For each question, students must **write the AI prompt used** with your answer.
6. Students must mention the **name of the AI tool used**.
7. **Last date for submission: 18th September 2026.**

**Q1. Design a Smart Office Using AI**

Use an AI tool to design a **Smart Office Management Plan** for a traditional office.

Your prompt must include:

- Organization type
- Existing problems
- Employees
- Available budget/resources
- Existing technology
- Expected improvements

**Submit:**

1. Organization selected
2. Existing office problems
3. AI prompt used for research
4. AI-generated Smart Office Plan

5. Name of AI tool used

**Q2. AI-Based Office Form Design – 5 Marks**

Use AI to design **any ONE office form**, such as a Leave Application, Visitor Registration, Purchase Requisition, Employee Feedback or Complaint Form.

Your prompt must mention:

- Purpose of the form
- Users
- Information required
- Desired format

**Submit:**

1. Form type and purpose
2. AI prompt used for research
3. AI-generated office form
4. Name of AI tool used

**Q3. AI Tools Used in Modern Offices**

Research and identify **at least FIVE AI tools** currently used in modern offices and explain their applications.

You may consider tools used for:

- Communication
- Meeting management
- Email writing
- Document management
- Data analysis
- Scheduling
- Customer service

- Office automation

Also include:

1. **AI prompt used for research**
2. **Name of AI Tools currently used in office for above tasks with example**
3. **Three advantages of using AI tools in offices**

**Q4. Study the Office of a Leading Company**

Select **any ONE company** such as Google, Microsoft, Infosys, TCS, Deloitte, etc. and study its modern office practices.

Prepare a short report covering:

1. Office layout and work environment
2. Communication system
3. Technology and automation used
4. Employee facilities
5. Meeting and workspace management
6. Record/document management
7. **Two innovative office practices**

**Submit:**

1. Company selected
2. Brief company introduction
3. Office study/report
4. **AI prompt used for the research**
5. Name of AI tool used
