Business Environment & Ethics - Set 12

50 MCQs - 1 mark each - answers and explanations are at the end

Choose the single best option. Do not look at the last pages until you finish.

Case: Lotus Retail's Procurement Head: The procurement head at Lotus Retail is offered a luxury holiday by a supplier who is bidding for a large contract. The head knows the supplier's prices are higher than those of other bidders. The company's code of conduct requires employees to avoid personal gain from business dealings.

1. The document guiding employees in such situations is the:
A. Balance sheet
B. Marketing plan
C. Code of ethics or conduct
D. Production schedule

2. Sustainable sourcing means buying materials from suppliers who
A. Follow environmental and labour standards
B. Offer the lowest price only
C. Are nearest only
D. Are largest only

3. An employee's right to receive wages on time is protected by labour law as the right to
A. Free meals
B. Timely payment of wages
C. Free housing
D. Free transport

4. The concept of the "invisible hand" is associated with
A. Adam Smith
B. Karl Marx
C. J. M. Keynes
D. Alfred Marshall

5. India's first Five Year Plan began in
A. 1951
B. 1947
C. 1956
D. 1961

Case: Greenleaf Stationery, Thrissur: Greenleaf Stationery is a small shop near several schools. Its main customers are the schools; its paper wholesaler is its key supplier; and an online seller is a new competitor. The owner has also noticed that a change in GST rates altered prices, a national slowdown cut household spending, and the growth of digital learning is reducing paper use.

6. Which statement about the shop's environment is correct?
A. The owner can fully control the macro environment
B. The micro environment has no effect on the shop
C. The owner can influence the micro environment, such as negotiating with the supplier, far more than the macro environment
D. Neither environment affects a small shop

7. In 1991, India's foreign exchange reserves were enough to pay for imports of only about
A. Three weeks
B. Three years
C. Six months
D. Ten years

8. A systematic evaluation of a company's performance in meeting its social objectives is called a

A. Stock audit
B. Cost audit
C. Internal check
D. Social audit

Case: Bharat Steels Ltd and CSR: Bharat Steels Ltd had a turnover of Rs. 1,200 crore this year. Its net profits for the last three years averaged Rs. 70 crore, and this year's net profit was Rs. 80 crore. The board is deciding how to meet its CSR obligations under the Companies Act, 2013, and is considering several proposals.

9. The minimum CSR amount Bharat Steels should spend is:
A. Rs. 1.6 crore
B. Rs. 1.4 crore
C. Rs. 24 crore
D. Rs. 70 lakh

10. Misleading advertisements in India are regulated mainly under the
A. Consumer Protection Act, 2019
B. Indian Contract Act
C. Sale of Goods Act
D. Factories Act

11. Ecomark is an Indian label for
A. Imported goods
B. Luxury goods
C. Defence goods
D. Environment-friendly products

12. The Equal Remuneration principle requires
A. Equal pay for men and women for the same or similar work
B. Equal profits for all firms
C. Equal prices
D. Equal taxes

13. The Universal Declaration of Human Rights was adopted in
A. 1948
B. 1919
C. 1966
D. 2000

Case: Rahul's Shopping List: Rahul buys a pressure cooker, a jar of honey and a gold necklace. He looks for quality marks on each: a mark from the national standards body on the cooker, a mark for agricultural produce on the honey, and a hallmark on the necklace.

14. Hallmarking on the necklace certifies:
A. The weight of the packaging
B. The country of origin of the buyer
C. The price of the necklace
D. The purity of gold

15. Serious corporate frauds in India are investigated by the
A. CPCB
B. BIS
C. Serious Fraud Investigation Office (SFIO)
D. NITI Aayog

16. The stakeholder approach to business responsibility was popularised by
A. Milton Friedman
B. Peter Drucker
C. Henry Ford
D. R. Edward Freeman

17. The Consumer Protection Act, 2019 lists ___ consumer rights.
A. Four

B. Six
C. Five
D. Eight

18. Consulting local people before starting a factory reflects
A. Poor planning
B. Stakeholder consultation
C. Legal evasion
D. Cost increase

19. Foreign Portfolio Investment (FPI) means
A. Investment in financial assets such as shares and bonds without management control
B. Setting up a factory abroad
C. Acquiring management control of a firm
D. Grants from foreign governments

20. Technology transfer means
A. Selling a factory
B. Changing the brand name
C. Hiring new managers
D. Moving technology from one firm or country to another

21. The Environment (Protection) Act, 1986 was enacted mainly following the
A. Bhopal gas tragedy
B. Chipko movement
C. Narmada protest
D. Chernobyl accident

22. A company's annual report is a major tool of
A. Transparency and disclosure
B. Secrecy
C. Advertising only
D. Price fixing

23. The brand image and goodwill of a company are usually treated as part of its
A. Political environment
B. Internal environment
C. Legal environment
D. Natural environment

24. The Digital Personal Data Protection Act, 2023 regulates
A. Stock market trading
B. Labour disputes
C. Environmental clearance
D. Processing of digital personal data

25. An ethical dilemma is a situation in which
A. Only one right action exists
B. A person must choose between conflicting values or right actions
C. The law gives a clear answer
D. No decision is needed

Case: Alpha Pharma's Finance Director: The finance director of Alpha Pharma learns of an unannounced merger that will push up the share price. Before the news is public, he buys shares through his brother and makes a large profit. An employee who learns of it reports the matter through the company's confidential reporting channel.

26. The employee who reported the matter is known as a:
A. Shareholder
B. Whistle-blower
C. Competitor
D. Lender

27. Companies with an average CSR obligation of Rs 10 crore or more must conduct impact assessment of

projects with an outlay of at least

A. Rs 10 lakh
B. Rs 10 crore
C. Rs 50 crore
D. Rs 1 crore

Case: GadgetHub's Take-Back Scheme: GadgetHub collects old phones and chargers from customers and sends them for safe recycling, in line with rules requiring producers to manage the waste from their products. The company says this protects the environment and helps it comply with the law.

28. GadgetHub's scheme encourages:

A. Recycling and resource conservation
B. Greater dumping of waste
C. Higher resource extraction
D. Avoidance of environmental rules

Case: Advertising and Local Values: A liquor brand plans a large advertisement along a route used for a temple festival in a conservative town. Local leaders, parents and traders object, saying it offends community values. The company's ethics committee is asked to advise.

29. Acting responsibly towards the local community is known as:

A. Insider trading
B. Good corporate citizenship
C. Price skimming
D. Vertical integration

30. Funding scholarships for poor students is an example of

A. Cost cutting
B. Price discrimination
C. Tax evasion
D. Support for education

31. CSR refers to

A. A company's obligation to act in ways that benefit society beyond profit making
B. Maximising shareholders' profit only
C. Evading taxes
D. Making political donations

32. Sustainability in business means

A. Maximising short-term profit
B. Ignoring the environment
C. Meeting present needs without compromising the needs of future generations
D. Avoiding all production

33. Removal of quantitative restrictions (quotas) on imports was meant to

A. Raise import tariffs
B. Protect all industries
C. Expose domestic firms to foreign competition
D. Ban exports

Case: InfoServe BPO, Bengaluru: InfoServe, a Bengaluru firm, handles customer support for American clients at a lower cost, using skilled English-speaking staff. India's services exports have grown rapidly since the 1990s, helped by the WTO's rules-based trading system, which India joined as a founding member. However, InfoServe depends heavily on demand from foreign clients.

34. The WTO, which came into existence in 1995, provides:

A. A rules-based system for international trade
B. Loans to governments
C. Control over India's tax system
D. Licences for domestic firms

Case: Malabar Spice Exporters: Malabar Spice Exporters, a Kochi-based firm, has an efficient cold-storage system and a strong brand abroad. This year, a poor monsoon reduced pepper output, a recession in Europe cut import demand, a

Vietnamese competitor began offering lower prices, and the government announced a new export incentive scheme for spices.

35. The cold-storage system and the strong brand are examples of:
A. External threats
B. Macro-political factors
C. Environmental opportunities
D. Internal strengths

Case: GlowCream's Promise: GlowCream advertises that its cream gives 'guaranteed fairness in seven days' and shows edited before- and-after photographs. Many buyers complain that the product did nothing. The authority created under the Consumer Protection Act, 2019 begins an inquiry.

36. The industry body that handles complaints against advertising through self-regulation is:
A. Bureau of Indian Standards
B. Advertising Standards Council of India (ASCI)
C. FSSAI
D. RBI

37. The culture of a society comprises its
A. Tax structure
B. Monetary policy
C. Shared beliefs, values and customs
D. Patents

38. ISO 14001 relates to
A. Quality management systems
B. Food safety
C. Information security
D. Environmental management systems

39. Carbon neutrality means
A. Emitting no goods
B. Using only coal
C. Ignoring emissions
D. Balancing emitted carbon with an equal amount removed or offset

40. The "Triple Bottom Line" refers to
A. Price, Place and Promotion
B. People, Planet and Profit
C. Plan, Policy and Procedure
D. Power, Prestige and Position

41. A performance appraisal is fair when it is
A. Based on personal liking
B. Kept secret
C. Objective, transparent and based on job criteria
D. Based on gossip

42. ISO 14001 is a standard for
A. Quality management
B. Food safety
C. Occupational health
D. Environmental management systems

43. After 1991, industrial licensing was abolished for all industries except
A. Textiles
B. A few strategic or hazardous sectors
C. Software
D. Agriculture

44. The Special Economic Zones (SEZ) Act in India was passed in

A. 1991
B. 2000
C. 2013
D. 2005

Case: Prices and Growth Figures: Vegetable prices in a country rose by 12 per cent over the year, while the general price level rose by 7 per cent. During the same period, the value of all final goods and services produced within the country grew by 6.5 per cent. The central bank is considering raising the repo rate.

45. The institution considering raising the repo rate is the:
A. Reserve Bank of India
B. SEBI
C. Ministry of Commerce
D. NITI Aayog

Case: Rahul's Shopping List: Rahul buys a pressure cooker, a jar of honey and a gold necklace. He looks for quality marks on each: a mark from the national standards body on the cooker, a mark for agricultural produce on the honey, and a hallmark on the necklace.

46. The ISI mark on the pressure cooker is granted by the:
A. FSSAI
B. Reserve Bank of India
C. Bureau of Indian Standards
D. Ministry of Agriculture

Case: Prices and Growth Figures: Vegetable prices in a country rose by 12 per cent over the year, while the general price level rose by 7 per cent. During the same period, the value of all final goods and services produced within the country grew by 6.5 per cent. The central bank is considering raising the repo rate.

47. The measure of the total value of final goods and services produced within the country is:
A. Balance of trade
B. Fiscal deficit
C. Per capita saving
D. Gross Domestic Product (GDP)

48. Disinvestment means
A. Purchase of private shares by government
B. Sale of the government's shareholding in public sector undertakings
C. Closing of PSUs
D. Increase in government stake

49. Which of the following is a source of an individual's ethical values?
A. Stock market
B. Interest rates
C. GDP
D. Family, religion and education

50. The "Jago Grahak Jago" campaign is run by the
A. Department of Consumer Affairs
B. SEBI
C. RBI
D. NITI Aayog

Answers with explanations

1. The document guiding employees in such situations is the:

Answer: C. Code of ethics or conduct

Why correct: A code of ethics or conduct guides employees in such cases.

A is wrong: A balance sheet reports finances.

B is wrong: A marketing plan guides sales.

D is wrong: A production schedule plans output.

2. Sustainable sourcing means buying materials from suppliers who

Answer: A. Follow environmental and labour standards

Why correct: Sustainable sourcing buys from suppliers who meet environmental and labour standards.

B is wrong: Lowest price alone ignores standards.

C is wrong: Nearest alone ignores standards.

D is wrong: Largest alone ignores standards.

3. An employee's right to receive wages on time is protected by labour law as the right to

Answer: B. Timely payment of wages

Why correct: The law protects the right to timely payment of wages.

A is wrong: Free meals are not required.

C is wrong: Free housing is not required.

D is wrong: Free transport is not required.

4. The concept of the "invisible hand" is associated with

Answer: A. Adam Smith

Why correct: Adam Smith's 'invisible hand' means self-interest in markets promotes social good.

B is wrong: Marx wrote on class struggle.

C is wrong: Keynes wrote on government spending and demand.

D is wrong: Marshall wrote on supply and demand analysis.

5. India's first Five Year Plan began in

Answer: A. 1951

Why correct: The first Five Year Plan began in 1951.

B is wrong: 1947 is independence.

C is wrong: 1956 is the second plan.

D is wrong: 1961 is the third plan.

6. Which statement about the shop's environment is correct?

Answer: C. The owner can influence the micro environment, such as negotiating with the supplier, far more than the macro environment

Why correct: The owner can negotiate with suppliers (micro) but cannot control macro forces.

A is wrong: Macro cannot be controlled.

B is wrong: Micro does affect the shop.

D is wrong: Both affect even small shops.

7. In 1991, India's foreign exchange reserves were enough to pay for imports of only about

Answer: A. Three weeks

Why correct: In 1991 reserves covered only about three weeks of imports.

B is wrong: Three years is far too high.

C is wrong: Six months is too high.

D is wrong: Ten years is far too high.

8. A systematic evaluation of a company's performance in meeting its social objectives is called a

Answer: D. Social audit

Why correct: A social audit evaluates how well a company meets its social objectives.

A is wrong: Stock audit checks inventory.

B is wrong: Cost audit checks cost records.

C is wrong: Internal check is an accounting control.

9. The minimum CSR amount Bharat Steels should spend is:

Answer: B. Rs. 1.4 crore

Why correct: CSR = 2% of the average net profit of the last three years = 2% x Rs 70 crore = Rs 1.4 crore.

A is wrong: Rs 1.6 crore is 2% of this year's profit (Rs 80 crore), but the law uses the three-year average.

C is wrong: Rs 24 crore is not a percentage of profit here.

D is wrong: Rs 70 lakh would be 1%.

10. Misleading advertisements in India are regulated mainly under the

Answer: A. Consumer Protection Act, 2019

Why correct: Misleading ads are regulated under the Consumer Protection Act, 2019.

B is wrong: Contract Act governs contracts.

C is wrong: Sale of Goods Act governs sales.

D is wrong: Factories Act governs factories.

11. Ecomark is an Indian label for

Answer: D. Environment-friendly products

Why correct: Ecomark labels environment-friendly products.

A is wrong: It is not for imported goods.

B is wrong: It is not for luxury goods.

C is wrong: It is not for defence goods.

12. The Equal Remuneration principle requires

Answer: A. Equal pay for men and women for the same or similar work

Why correct: Equal remuneration means equal pay for men and women for the same or similar work.

B is wrong: Equal profits are not required.

C is wrong: Equal prices are not required.

D is wrong: Equal taxes are not required.

13. The Universal Declaration of Human Rights was adopted in

Answer: A. 1948

Why correct: The UDHR was adopted in 1948.

B is wrong: 1919 is the ILO's founding.

C is wrong: 1966 is the covenants.

D is wrong: 2000 is the Global Compact.

14. Hallmarking on the necklace certifies:

Answer: D. The purity of gold

Why correct: A hallmark certifies the purity of gold.

A is wrong: Packaging weight is not certified.

B is wrong: Buyer's country is irrelevant.

C is wrong: Price is not certified.

15. Serious corporate frauds in India are investigated by the

Answer: C. Serious Fraud Investigation Office (SFIO)

Why correct: SFIO investigates serious corporate frauds.

A is wrong: CPCB handles pollution.

B is wrong: BIS sets standards.

D is wrong: NITI Aayog is a think tank.

16. The stakeholder approach to business responsibility was popularised by

Answer: D. R. Edward Freeman

Why correct: R. Edward Freeman popularised the stakeholder approach.

A is wrong: Friedman supports shareholder primacy.

B is wrong: Drucker wrote on management.

C is wrong: Ford is an industrialist.

17. The Consumer Protection Act, 2019 lists ___ consumer rights.

Answer: B. Six

Why correct: The 2019 Act lists six consumer rights.

A is wrong: Four was the original Kennedy list.

C is wrong: Five is wrong.

D is wrong: Eight is the UN list.

18. Consulting local people before starting a factory reflects

Answer: B. Stakeholder consultation

Why correct: Consulting locals before building is stakeholder consultation.

A is wrong: It is good, not poor, planning.

C is wrong: It is not evasion.

D is wrong: It prevents costly conflict.

19. Foreign Portfolio Investment (FPI) means

Answer: A. Investment in financial assets such as shares and bonds without management control

Why correct: FPI is investment in financial assets without management control.

B is wrong: A factory abroad is FDI.

C is wrong: Control of a firm is FDI.

D is wrong: Grants are aid.

20. Technology transfer means

Answer: D. Moving technology from one firm or country to another

Why correct: Technology transfer is moving technology from one firm or country to another.

A is wrong: Selling a factory is an asset sale.

B is wrong: Changing a brand name is rebranding.

C is wrong: Hiring managers is HR.

21. The Environment (Protection) Act, 1986 was enacted mainly following the

Answer: A. Bhopal gas tragedy

Why correct: The Environment (Protection) Act, 1986 followed the Bhopal gas tragedy.

B is wrong: Chipko was a forest movement.

C is wrong: Narmada was a dam protest.

D is wrong: Chernobyl was a nuclear accident abroad.

22. A company's annual report is a major tool of

Answer: A. Transparency and disclosure

Why correct: The annual report is a major tool of transparency and disclosure.

B is wrong: It is not secrecy.

C is wrong: It is more than advertising.

D is wrong: It is not price fixing.

23. The brand image and goodwill of a company are usually treated as part of its

Answer: B. Internal environment

Why correct: Brand image and goodwill are built inside the firm.

A is wrong: Political environment is external.

C is wrong: Legal environment is external.

D is wrong: Natural environment is external.

24. The Digital Personal Data Protection Act, 2023 regulates

Answer: D. Processing of digital personal data

Why correct: The DPDP Act, 2023 regulates processing of digital personal data.

A is wrong: Stock trading is SEBI.

B is wrong: Labour disputes are other laws.

C is wrong: Environmental clearance is separate.

25. An ethical dilemma is a situation in which

Answer: B. A person must choose between conflicting values or right actions

Why correct: An ethical dilemma is a choice between conflicting values.

A is wrong: A single right action is no dilemma.

C is wrong: A clear legal answer removes the dilemma.

D is wrong: A dilemma needs a decision.

26. The employee who reported the matter is known as a:

Answer: B. Whistle-blower

Why correct: An employee who reports wrongdoing is a whistle-blower.

A is wrong: A shareholder owns shares.

C is wrong: A competitor rivals the firm.

D is wrong: A lender gives credit.

27. Companies with an average CSR obligation of Rs 10 crore or more must conduct impact assessment of projects with an outlay of at least

Answer: D. Rs 1 crore

Why correct: Companies with CSR obligation of Rs 10 crore or more must assess projects with outlay of Rs 1 crore or more.

A is wrong: Rs 10 lakh is too low.

B is wrong: Rs 10 crore is too high.

C is wrong: Rs 50 crore is too high.

28. GadgetHub's scheme encourages:

Answer: A. Recycling and resource conservation

Why correct: A take-back scheme encourages recycling and resource conservation.

B is wrong: It reduces dumping.

C is wrong: It reduces extraction.

D is wrong: It supports compliance.

29. Acting responsibly towards the local community is known as:

Answer: B. Good corporate citizenship

Why correct: Acting responsibly towards the community is good corporate citizenship.

A is wrong: Insider trading is illegal.

C is wrong: Price skimming is a pricing strategy.

D is wrong: Vertical integration is a business structure.

30. Funding scholarships for poor students is an example of

Answer: D. Support for education

Why correct: Scholarships for poor students support education.

A is wrong: It is not cost cutting.

B is wrong: It is not price discrimination.

C is wrong: It is not tax evasion.

31. CSR refers to

Answer: A. A company's obligation to act in ways that benefit society beyond profit making

Why correct: CSR is a company's obligation to benefit society beyond profit.

B is wrong: Profit only is the opposite.

C is wrong: Evading taxes is unethical.

D is wrong: Political donations are not CSR.

32. Sustainability in business means

Answer: C. Meeting present needs without compromising the needs of future generations

Why correct: Sustainability meets present needs without harming future generations.

A is wrong: Short-term profit ignores the future.

B is wrong: Ignoring the environment is unsustainable.

D is wrong: Avoiding production is impractical.

33. Removal of quantitative restrictions (quotas) on imports was meant to

Answer: C. Expose domestic firms to foreign competition

Why correct: Removing quotas exposes domestic firms to foreign competition.

A is wrong: It lowers protection.

B is wrong: It does not protect industries.

D is wrong: It does not ban exports.

34. The WTO, which came into existence in 1995, provides:

Answer: A. A rules-based system for international trade

Why correct: The WTO provides a rules-based system for trade.

B is wrong: The IMF/World Bank lend.

C is wrong: It does not control taxes.

D is wrong: It does not issue domestic licences.

35. The cold-storage system and the strong brand are examples of:

Answer: D. Internal strengths

Why correct: Cold storage and a strong brand are the firm's own advantages: internal strengths.

A is wrong: Threats are external negatives.

B is wrong: Macro-political factors are external.

C is wrong: Opportunities are external.

36. The industry body that handles complaints against advertising through self-regulation is:

Answer: B. Advertising Standards Council of India (ASCI)

Why correct: ASCI self-regulates advertising.

A is wrong: BIS sets standards.

C is wrong: FSSAI regulates food.

D is wrong: RBI regulates banks.

37. The culture of a society comprises its

Answer: C. Shared beliefs, values and customs

Why correct: Culture is shared beliefs, values and customs.

A is wrong: Tax structure is economic.

B is wrong: Monetary policy is economic.

D is wrong: Patents are legal.

38. ISO 14001 relates to

Answer: D. Environmental management systems

Why correct: ISO 14001 is for environmental management systems.

A is wrong: ISO 9001 is quality management.

B is wrong: ISO 22000 is food safety.

C is wrong: ISO 27001 is information security.

39. Carbon neutrality means

Answer: D. Balancing emitted carbon with an equal amount removed or offset

Why correct: Carbon neutrality balances emissions with equal removal or offsets.

A is wrong: It is not 'no goods'.

B is wrong: Coal use is not neutral.

C is wrong: Ignoring emissions is not neutral.

40. The "Triple Bottom Line" refers to

Answer: B. People, Planet and Profit

Why correct: Triple Bottom Line = People, Planet, Profit.

A is wrong: Price, place, promotion is marketing.

C is wrong: Plan, policy, procedure is not TBL.

D is wrong: Power, prestige, position is not TBL.

41. A performance appraisal is fair when it is

Answer: C. Objective, transparent and based on job criteria

Why correct: A fair appraisal is objective, transparent and based on job criteria.

A is wrong: Personal liking is bias.

B is wrong: Secrecy is unfair.

D is wrong: Gossip is unreliable.

42. ISO 14001 is a standard for

Answer: D. Environmental management systems

Why correct: ISO 14001 is a standard for environmental management systems.

A is wrong: ISO 9001 is quality.

B is wrong: ISO 22000 is food safety.

C is wrong: ISO 45001 is occupational health.

43. After 1991, industrial licensing was abolished for all industries except

Answer: B. A few strategic or hazardous sectors

Why correct: After 1991 licensing remained only for a few strategic or hazardous industries.

A is wrong: Textiles were delicensed.

C is wrong: Software never needed it.

D is wrong: Agriculture is not covered.

44. The Special Economic Zones (SEZ) Act in India was passed in

Answer: D. 2005

Why correct: The SEZ Act was passed in 2005.

A is wrong: 1991 is wrong.

B is wrong: 2000 is wrong.

C is wrong: 2013 is wrong.

45. The institution considering raising the repo rate is the:

Answer: A. Reserve Bank of India

Why correct: The RBI sets the repo rate.

B is wrong: SEBI regulates securities.

C is wrong: The Ministry of Commerce handles trade.

D is wrong: NITI Aayog is a think tank.

46. The ISI mark on the pressure cooker is granted by the:

Answer: C. Bureau of Indian Standards

Why correct: The Bureau of Indian Standards grants the ISI mark.

A is wrong: FSSAI regulates food.

B is wrong: RBI regulates banks.

D is wrong: The Agriculture Ministry runs Agmark.

47. The measure of the total value of final goods and services produced within the country is:

Answer: D. Gross Domestic Product (GDP)

Why correct: GDP is the total value of final goods and services produced within the country.

A is wrong: Balance of trade is exports minus imports.

B is wrong: Fiscal deficit is government finance.

C is wrong: Per capita saving is savings per person.

48. Disinvestment means

Answer: B. Sale of the government's shareholding in public sector undertakings

Why correct: Disinvestment is selling the government's shareholding in PSUs.

A is wrong: Government buying is the opposite.

C is wrong: Closing PSUs is not selling shares.

D is wrong: Raising the stake is the opposite.

49. Which of the following is a source of an individual's ethical values?

Answer: D. Family, religion and education

Why correct: Family, religion and education shape personal values.

A is wrong: The stock market does not.

B is wrong: Interest rates do not.

C is wrong: GDP does not.

50. The "Jago Grahak Jago" campaign is run by the

Answer: A. Department of Consumer Affairs

Why correct: 'Jago Grahak Jago' is run by the Department of Consumer Affairs.

B is wrong: SEBI does not run it.

C is wrong: RBI does not run it.

D is wrong: NITI Aayog does not run it.
