## Answers with explanations

**1.** Giving high ratings on all traits because of one strong trait is the

**Answer: B. halo effect**

**Why correct:** Halo effect: one strong trait makes the rater score every trait high.

A is wrong: Central tendency means rating everyone average.

C is wrong: Horns effect is the opposite - one weak trait pulls everything down.

D is wrong: Strictness bias means rating too low across the board.

**2.** 'Training = Today; Development = Tomorrow' means

**Answer: A. training serves the present job; development serves future roles**

**Why correct:** It contrasts present and future.

B is wrong: Development is mainly for managers.

C is wrong: Training is mainly for operatives.

D is wrong: They are different.

**3.** Adjudication of industrial disputes is done by

**Answer: C. labour courts and industrial tribunals**

**Why correct:** Adjudication is by labour courts and tribunals and is binding.

A is wrong: The personnel manager is a party.

B is wrong: The board is a party.

D is wrong: Union and employers jointly is bargaining.

**4.** BARS rates performance using

**Answer: B. behavioural statements anchored to levels of performance**

**Why correct:** BARS anchors ratings to behaviours.

A is wrong: Not BARS.

C is wrong: Not BARS.

D is wrong: Not BARS.

**5.** A works committee under the Industrial Disputes Act, 1947 is for

**Answer: C. 100 or more workmen**

**Why correct:** The deck states 100 or more.

A is wrong: Not the stated threshold.

B is wrong: Not the stated threshold.

D is wrong: There is a size threshold.

**6.** In career planning, the employee acts as

**Answer: D. self-assessor of aspirations and needs**

**Why correct:** In career planning the employee assesses his own aspirations and needs.

A is wrong: Bargaining is a union function.

B is wrong: Auditing the organisation's plans is not the employee's role.

C is wrong: The employee takes part actively, not as a spectator.

**7.** Development differs from training in that development is

**Answer: C. long-term and career-oriented**

**Why correct:** Development is long-term and career oriented; training is short-term.

A is wrong: It is for all employees, not only new ones.

B is wrong: That describes training.

D is wrong: Development is for managers and workers.

**8.** The eight-step bargaining procedure ends with

**Answer: A. implementation and follow-up**

**Why correct:** Implementation is last.

B is wrong: Ratification is step 7.

C is wrong: Preparation is first.

D is wrong: Compromise is step 5.

**9.** Which of the following is included in the scope of HRM?

**Answer: B. Recruitment, training, compensation and industrial relations**

**Why correct:** HRM's scope follows the employee life cycle: recruitment, training, compensation and industrial relations.

A is wrong: Purchase and production scheduling are operations.

C is wrong: Product design and advertising are marketing.

D is wrong: Balance sheet, audit and tax are finance and accounts.

**10.** Personal objectives of HRM refer to

**Answer: C. helping employees achieve their personal goals and growth**

**Why correct:** Personal objectives help employees reach their own goals and grow, which keeps them motivated.

A is wrong: Dividends are a shareholder / finance matter.

B is wrong: Environmental law compliance is a societal objective.

D is wrong: Tax reduction is a finance matter.

**11.** Compared with wages, salary usually refers to

**Answer: A. monthly pay of clerical, managerial and professional staff**

**Why correct:** Salary is usually monthly pay of clerical, managerial and professional staff.

B is wrong: Per unit pay is piece rate.

C is wrong: Festival payment is bonus.

D is wrong: Hourly or daily pay is wage.

**12.** Workers' participation in management means

**Answer: D. involving workers in decision-making of the organisation**

**Why correct:** Workers' participation means involving workers in decision-making.

A is wrong: Ownership transfer is not participation.

B is wrong: Strike whenever is not participation.

C is wrong: Fixing prices is not their role.

**13.** Which is an EXTERNAL factor influencing compensation?

**Answer: A. Inflation**

**Why correct:** Inflation is outside the firm's control, so external.

B is wrong: Strategy is internal.

C is wrong: Seniority is internal.

D is wrong: Job evaluation is internal.

**14.** Valuing human resources as organisational assets rather than expenses is done through

**Answer: B. Human Resource (Asset) Accounting**

**Why correct:** Human Resource Accounting values people as assets.

A is wrong: Essay and check list are traditional methods.

C is wrong: Ranking and paired comparison are traditional methods.

D is wrong: Critical incidents and confidential reports are traditional methods.

**15.** Which is INDIRECT compensation (fringe benefit)?

**Answer: B. Life and disability insurance**

**Why correct:** Insurance is a benefit.

A is wrong: Overtime is direct.

C is wrong: Commission is direct.

D is wrong: Performance pay is direct.

**16.** Conflict handling under HRM means

**Answer: D. managing climate and culture**

**Why correct:** HRM manages climate and culture.

A is wrong: HRM uses direct communication.

B is wrong: A temporary truce is PM.

C is wrong: Conflicts are not ignored.

**17.** Societal objectives of HRM mean

**Answer: D. being ethically and socially responsible to society**

**Why correct:** Societal objectives mean the firm behaves ethically and responsibly towards society.

A is wrong: Cutting wages to raise profit is unethical, the opposite of societal responsibility.

B is wrong: Keeping HR cost lowest is a functional-cost matter, not societal.

C is wrong: Personal ambitions of employees are personal objectives.

**18.** A plan that bases bonuses on employee productivity measured by comparing labour cost to value of products produced is

**Answer: C. gainsharing**

**Why correct:** Gainsharing shares savings from higher productivity.

A is wrong: Piece rate is per unit.

B is wrong: Fringe benefits are not bonuses.

D is wrong: Profit sharing uses overall profit.

**19.** Which is the correct order of the evolution of HRM?

**Answer: B. Welfare, Personnel management, HRM, Strategic and digital HR**

**Why correct:** W-P-H-D: care, admin, develop, strategise.

A is wrong: Welfare is the earliest stage.

C is wrong: Welfare came first, before HRM.

D is wrong: That is the reverse order.

**20.** A start-up with ten jobs and no pay structure would most easily use

**Answer: A. the ranking method**

**Why correct:** Ranking is simple for few jobs.

B is wrong: Market pricing needs data.

C is wrong: Hay is complex.

D is wrong: Bargaining is not a method.

**21.** 'How did they feel?' corresponds to Kirkpatrick's level

**Answer: A. Reaction**

**Why correct:** Level 1 = Reaction.

B is wrong: Learning asks what they learned.

C is wrong: Behaviour asks whether work changed.

D is wrong: Results asks about business impact.

**22.** In grievance handling, a grievance should first be dealt with

**Answer: B. at the lowest level, with the immediate superior**

**Why correct:** A grievance should first go to the immediate superior so it can be settled at once.

A is wrong: Informing the union first bypasses management.

C is wrong: A labour court is the last step.

D is wrong: The Board is too high for a first step.

**23.** Job analysis differs from job evaluation because job analysis

**Answer: B. gathers information about a job**

**Why correct:** Job analysis gathers facts about a job; job evaluation sets its worth.

A is wrong: Job analysis does not fix wages.

C is wrong: Ascertaining worth is job evaluation.

D is wrong: Evaluating employees is appraisal.

**24.** A healthy industrial relations climate requires the role of

**Answer: C. government, trade unions and management together**

**Why correct:** Good IR needs government, unions and management working together.

A is wrong: Government has a role.

B is wrong: Unions alone cannot do it.

D is wrong: Courts handle only unresolved disputes.

**25.** Performance appraisal is the systematic evaluation of an employee's

**Answer: D. performance and potential in relation to job requirements**

**Why correct:** It judges performance and potential.

A is wrong: Seniority alone is not appraisal.

B is wrong: Not relevant.

C is wrong: Not relevant.

**26.** A series of positions through which individuals can be promoted, transferred and rotated is a

**Answer: C. career path**

**Why correct:** A career path is the ladder of positions an employee can move through.

A is wrong: A grievance procedure handles complaints.

B is wrong: A job description lists duties of one job.

D is wrong: A wage board fixes wages.

**27.** Which of the following is listed in the scope of HRM in the deck?

**Answer: A. HR records and HR information systems (HRIS)**

**Why correct:** HRIS is part of the HR scope.

B is wrong: That is production.

C is wrong: That is marketing.

D is wrong: That is accounting.

**28.** The three levels of TNA are

**Answer: A. organisational, task and individual**

**Why correct:** O-T-I = Organisation, Task, Individual.

B is wrong: Time periods are not TNA levels.

C is wrong: These describe environments.

D is wrong: These describe plans.

**29.** Allowing review of the decision by a higher authority is the step of

**Answer: D. Appeal**

**Why correct:** Appeal = higher review.

A is wrong: Receive takes the complaint.

B is wrong: Acknowledge confirms receipt.

C is wrong: Analyse examines evidence.

**30.** After an agreement is signed, the HR manager plays a crucial role in

**Answer: A. day-to-day administration and implementation of the agreement**

**Why correct:** After signing, the HR manager must run the agreement day to day.

B is wrong: The annual report is not the HR manager's duty here.

C is wrong: Employees outside the agreement are not covered by it.

D is wrong: A fresh agreement with a rival union is not the task.

**31.** According to the notes, up to what percentage of bargaining outcomes is influenced by the pre-negotiation process?

**Answer: D. 83%**

**Why correct:** The notes say about 83% of the outcome is shaped before negotiation, so preparation matters most.

A is wrong: 50% is not the figure given.

B is wrong: 10% understates the importance of preparation.

C is wrong: 25% is not the figure given.

**32.** Organisational career management focuses on

**Answer: D. meeting the organisation's workforce needs through planned career moves**

**Why correct:** Organisational career management meets the firm's workforce needs through planned moves.

A is wrong: Hobbies are not its focus.

B is wrong: Reducing positions is not the aim.

C is wrong: Deciding without consulting is poor practice.

**33.** Distributive bargaining is often described as

**Answer: C. win-lose**

**Why correct:** It divides a fixed gain.

A is wrong: Not the description.

B is wrong: Not the description.

D is wrong: That is integrative.

**34.** Under the Industrial Disputes Act, the machinery for settling disputes includes

**Answer: D. conciliation, arbitration and adjudication**

**Why correct:** Dispute machinery: conciliation, arbitration, adjudication.

A is wrong: Recruiting and hiring is procurement.

B is wrong: Advertising, selling, branding is marketing.

C is wrong: Budgeting is finance.

**35.** In the era of globalisation and digital transformation, the HR manager's role is shifting towards

**Answer: A. strategic partner and change agent**

**Why correct:** With globalisation and digital change HR moves from paperwork to being a strategic partner and change agent.

B is wrong: Purely administrative work is the old role.

C is wrong: Record keeping alone is the old role.

D is wrong: Manual file maintenance is outdated and being automated.

**36.** Which sequence shows the selection process?

**Answer: B. Screening, application review, tests, interview, reference check, medical exam, offer**

**Why correct:** This matches the deck's flow.

A is wrong: The offer comes last.

C is wrong: The medical exam comes late.

D is wrong: Advertising is recruitment.

**37.** Which law-related issue influences remuneration?

**Answer: C. Minimum wage and overtime rules**

**Why correct:** Minimum wage and overtime laws set legal pay floors.

A is wrong: Import duties are trade law.

B is wrong: Advertising rules are marketing law.

D is wrong: Trademark laws are IP law.

**38.** Tests improve selection decisions mainly by increasing

**Answer: D. reliability and validity**

**Why correct:** Tests give consistent (reliable) and job-relevant (valid) results.

A is wrong: Tests do not aim to add paperwork or cost.

B is wrong: Good tests lower turnover and absenteeism.

C is wrong: Tests screen applicants, not increase the number.

**39.** TNA is the systematic identification of

**Answer: D. the gap between required and actual knowledge, skills and performance**

**Why correct:** TNA finds the gap.

A is wrong: Trainers are a resource.

B is wrong: Venue is a logistics item.

C is wrong: Cost is a budget item.

**40.** The objectives of career planning include

**Answer: B. matching individual aspirations with organisational opportunities**

**Why correct:** Career planning matches personal aspirations with organisational opportunities.

A is wrong: Avoiding a link defeats the purpose.

C is wrong: Higher turnover is not an aim.

D is wrong: Fewer promotions is not an aim.

**41.** Training is mainly aimed at

**Answer: A. improving employees' skills for their present jobs**

**Why correct:** Training improves skills for the present job.

B is wrong: Dividends are not a training aim.

C is wrong: Training does not aim to cut staff.

D is wrong: Preparing for senior roles is development.

**42.** Which of the following is an aim of a compensation system?

**Answer: C. Attract and retain high-quality employees**

**Why correct:** A compensation system should attract and retain good people.

A is wrong: Comparison with other employers is needed.

B is wrong: It should reduce, not increase, disputes.

D is wrong: It should encourage, not discourage, extra effort.

**43.** Quitting of work by a group of workers to pressure the employer to accept demands is a

**Answer: A. strike**

**Why correct:** A strike is workers stopping work to press demands.

B is wrong: Lockout is an employer's act.

C is wrong: Picketing blocks entry.

D is wrong: Gherao confines managers.

**44.** When a rater favours people who resemble the rater, the bias is

**Answer: B. similarity bias**

**Why correct:** Similarity bias favours similar people.

A is wrong: Recency: recent events dominate.

C is wrong: Halo: one strong trait inflates all.

D is wrong: Central tendency: all near the middle.

**45.** A key difference between HRM and Personnel Management is that HRM

**Answer: B. treats employees as valuable assets / resources**

**Why correct:** HRM sees people as valuable assets that can be developed; personnel management saw them as a cost.

A is wrong: Payroll-only is the old personnel view.

C is wrong: That is the personnel management view.

D is wrong: HRM is linked to strategy.

**46.** The Grievance Committee under the Model Grievance Procedure makes its recommendation within

**Answer: A. 7 days**

**Why correct:** The Grievance Committee gives its recommendation within 7 days.

B is wrong: 3 days is the department head's time.

C is wrong: 30 days is too long.

D is wrong: 48 hours is the officer's time.

**47.** Using what the external labour market pays for similar jobs is the

**Answer: B. market-pricing method**

**Why correct:** Market pricing uses external pay.

A is wrong: Point-factor is scoring.

C is wrong: Classification is grading.

D is wrong: Ranking is internal ordering.

**48.** Facilities required by law are called

**Answer: D. statutory welfare**

**Why correct:** Statutory = required by law.

A is wrong: Recreational is a type by purpose.

B is wrong: Voluntary is non-statutory.

C is wrong: Non-statutory is voluntary.

**49.** Training that uses a replica of the actual workplace away from production is

**Answer: D. vestibule training**

**Why correct:** Vestibule training uses a replica of the workplace.

A is wrong: Coaching is on the job.

B is wrong: Job rotation is on the job.

C is wrong: Apprenticeship is on the job.

**50.** Job evaluation is a systematic way of determining

**Answer: A. the value or worth of a job in relation to other jobs**

**Why correct:** Job evaluation determines a job's worth relative to other jobs to build a fair pay structure.

B is wrong: Number of employees is manpower planning.

C is wrong: Tasks and duties information is job analysis.

D is wrong: Employee performance is appraisal.
